**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 14 You shall participate in the home confinement program for 90 days. You shall abide by all the requirements of the program, which will include electronic monitoring or other location verification system. You shall pay all or part of the costs of the program based upon your ability to pay. You are restricted to your residence at all times except for employment, education, religious services, medical, substance abuse, or mental health treatment, attorney visits, court appearances, court-ordered obligations, or other activities as pre-approved by the supervising probation officer.

**CAUSE**

On August 8, 2008, Mr. Ibarra appeared before Your Honor for sentencing. He was given credit for time served to be followed by 1-year of supervised release. Mr. Ibarra was also ordered to reside at a residential reentry center for a period of 90 days. This condition was ordered due to a phone line not being available at his residence for electronic monitoring. There is now a phone line at his residence that can be utilized for the defendant to be placed on home confinement with electronic monitoring.

Therefore, this officer respectfully requests Mr. Ibarra's special condition of serving 90 days at a residential reentry center be modified and that he be placed on home confinement with electronic monitoring as noted above.
